Proposals and References

Proposal 1: Appropriation of surplus

The Bank's basic policy is to provide a comprehensive return of profits to shareholders through the performance-linked dividend system which includes stable dividend payments, and repurchase of treasury shares, etc., taking into consideration such factors as trends in the capital adequacy ratio and performance and changes in the business environment from the perspective of ensuring sound management in view of the public nature of the banking business.

Under this policy, the Bank proposes the year-end dividend of surplus for the fiscal year ended March 31, 2021 as follows.

(1) Type of dividend property

Cash

(2) Allocation of dividend property and total amount thereof to shareholders

5.0 yen per common share of the Bank

Total amount of dividends: 1,947,993,950 yen

(3) Effective date of distribution of dividends of surplus

Common share of the Bank: June 28, 2021

As a result, the annual dividend for the fiscal year ended March 31, 2021 will be 10.0 yen per common share including the interim dividend of 5.0 yen per common share, as stated in the dividend forecast announced on May 12, 2020.

(Reference) The Bank's comprehensive shareholder returns policy

Ordinary dividend:

We intend to pay 10 yen per common share in order to be able to pay stable dividends.

Performance-linked dividend:

For the part related to performance, when the profit attributable to shareholders of parent for the entire fiscal year is more than 15 billion yen, we intend to aim for a payment of 30% of the amount over 15 billion yen.

Repurchase of treasury shares:

After the amount of the year-end dividend, which is an item to be resolved in the Ordinary General Meeting of Shareholders, is approved by the Board of Directors, the Bank is planning to purchase its own shares to make the total amount of the annual dividends and treasury shares 40% of the profit attributable to shareholders of parent. If the annual dividend amount exceeds 40% of the profit attributable to shareholders of parent, the Bank will not purchase its own shares.

Proposal 2: Election of eleven (11) Directors

Notes:

- 1. There is currently no special interest between each of the candidates and the Bank.
- 2. A limited liability agreement under the provision of Article 427, paragraph 1 of the Companies Act has been concluded between Kazuaki Shimamoto, Naoki Nishita and Masako Taniguchi, and the Bank. The Bank intends to continue this agreement with Kazuaki Shimamoto, Naoki Nishita and Masako Taniguchi in the event that their reappointments are approved. In addition, the Bank plans to enter into a limited liability agreement with Makiko Sasaki in accordance with Article 427, paragraph 1 of the Companies Act in the event that her appointment is approved. An overview of the limited liability agreements is as follows.
 - In the event of damage to the Bank caused by failure to perform duties as External Directors, they will be liable to the maximum amount below so long as their duties are performed in good faith and without gross negligence.
 - The maximum amount of liability shall be whichever is the higher of 20 million yen or the amount provided for by legislation (the minimum liability provided for under Article 425, paragraph 1, of the Companies Act).
- 3. The Bank has entered into a directors and officers liability insurance policy as provided for in Article 430-3, paragraph 1 of the Companies Act with an insurance company. The summary of the details of the said insurance policy is described on Page 46 of this notice of convocation (in Japanese only). If the election of the candidates for Director is approved, they will be included as insureds in the said insurance policy.
 - In addition, the Bank plans to renew the said insurance policy at the time of next expiration of the policy period.
- 4. Matters pertaining to candidates for External Directors provided for under Article 74, paragraph 4 of the Ordinance for Enforcement of the Companies Act

- (1) Kazuaki Shimamoto, Naoki Nishita, Masako Taniguchi and Makiko Sasaki are candidates for External Director.
- (2) Kazuaki Shimamoto, Naoki Nishita, Masako Taniguchi and Makiko Sasaki have no previous experience of being involved in corporate management other than serving as External Director or External Audit & Supervisory Board Member. However, it is deemed that they are able to execute duties appropriately as described in the "Reason for selection as Director nominee and overview of expected roles."
- (3) With reference to the specific standards for determination that the Bank has established regarding stock exchange criteria for independence ("Independence Determination Standards" as described on Page 16 of this notice of convocation), Kazuaki Shimamoto, Naoki Nishita and Masako Taniguchi are independent from the executive management team. Therefore, the Bank has designated them as Independent Directors stipulated under Rule 436-2 of the Securities Listing Regulations of the Tokyo Stock Exchange and Rule 5-2 of the Corporate Conduct Rules of the Sapporo Securities Exchange. In the event that their reappointments are approved, the Bank intends to continue this designation.
 - With reference to the Independence Determination Standards, Makiko Sasaki is also independent from the executive management team. Therefore, if her election is approved, the Bank intends to designate her as Independent Audit & Supervisory Board Member stipulated under Rule 436-2 of the Securities Listing Regulations of the Tokyo Stock Exchange and Rule 5-2 of the Corporate Conduct Rules of the Sapporo Securities Exchange. Although the Bank has general business transactions with Incorporated Educational Institution Japan Health Care College where Kazuaki Shimamoto holds the position of Chancellor and Ginga Audit Corporation where Masako Taniguchi holds the position of Representative Partner, those organizations are not applicable to the "major trading partner" defined in the Bank's Independence Determination Standards (a partner for which transactions account for 2% or more of the Bank's consolidated gross profit or the trading partner's consolidated net sales of the most recent fiscal year) and therefore will not affect their independence.
- (4) The term of office of Kazuaki Shimamoto as External Director shall be five (5) years at the conclusion of this General Meeting of Shareholders. The term of office of Naoki Nishita and Masako Taniguchi as External Directors shall be one (1) year at the conclusion of this General Meeting of Shareholders.

Proposal 3: Election of two (2) Audit & Supervisory Board Members

The term of office of Fumiyo Fujii and Hitoshi Kubota as Audit & Supervisory Board Members will expire at the conclusion of the 165th Ordinary General Meeting of Shareholders. Accordingly, the Bank proposes the election of two (2) Audit & Supervisory Board Members.

This proposal has been approved by the Board of Directors after obtaining approval from the Audit & Supervisory Board upon consultation with the Nomination and Remuneration Advisory Committee whose majority is comprised of Independent External Officers.

The candidates for Audit & Supervisory Board Member are as follows:

- Matters pertaining to candidates for External Audit & Supervisory Board Member provided for under Article 76, paragraph 4 of the Ordinance for Enforcement of the Companies Act
 - (1) Hitoshi Kubota is a candidate for External Audit & Supervisory Board Member.
 - (2) With reference to the Bank's Independence Determination Standards, Hitoshi Kubota is independent from the executive management team. Therefore, the Bank has designated him as Independent Audit & Supervisory Board Member stipulated under Rule 436-2 of the Securities Listing Regulations of the Tokyo Stock Exchange and Rule 5-2 of the Corporate Conduct Rules of the Sapporo Securities Exchange. In the event that his reappointment is approved, the Bank intends to continue this designation. The Bank is the designated financial organization of Hokkaido Government; therefore, there are transactions such as deposits and loans. However, governors, mayors, and chiefs of regional public organizations are elected by public, and their administration is supervised by the elected assembly of the given body. Therefore, they cannot exert their influence on the Bank without rational reasons. The Bank considers the aforementioned transactions do not cause conflicts of interest with shareholders, and regional public organizations are excluded from "major trading partners" in the Independence Determination Standards
 - (3) The term of office of Hitoshi Kubota as External Audit & Supervisory Board Member shall be two (2) years at the conclusion of this General Meeting of Shareholders.

Proposal 4: Amendment to the Articles of Incorporation

1. Reasons for the amendment
